

ST. CATHERINE OF SIENA SUMMER FESTIVAL

St. Catherine of Siena Church celebrates its 16th Annual Summer Festival on June 22, 23, 24. Held on the church grounds at 243 Route 164, this popular event has something for all ages and interests.

The festival opens on Thursday evening with the 3.8 mile road race. Starting in front of the church on Route 164, the runners proceed north to Amos Road on to Northwest Corner Road. They follow Hollowell Road around Amos Lake back to Route 164 to the starting point.

The festival closes on Saturday evening after drawing winners in the very important raffle. The range of eight prizes offers great appeal to many.

Between the official opening and closing there are a variety of sights, sounds, and tastes for each and everyone to enjoy. There are the familiar and well-liked wildlife booth and Moonwalk along with our NEW PUTTING GREEN and DUMP THE DUMMY. There are other games of skill and of course lots of good food.

Best of all to the regular goers, the festival provides a meeting place for the whole community. It's a time to meet, a time to chat, a time to share with old and new friends. It's said to be a fine start to the summer.

This year any proceeds raised will be used to install a new rug on the altar and in the chapel. A full schedule of the three day event can be found here in the Pipeline in the ad on page 23. See you there.

NOTE: Opening time for the festival on Saturday is immediately after 4:00 p.m. Mass.
